The Importance Of Intergovernmental Relations

In the 1990s, Moravcsik developed the theory of 'liberal intergovernmentalism, which follows in the footsteps of the realist variant insofar as it puts states, state interests, and state bargaining center stage, but attributes to societal actors and international institutions a more prominent theoretical role *ibid* 2013. Another noteworthy characteristic of block grants is that their flexibility has been undermined over time as a result of creeping categorization, a process in which the national government places new administrative requirements on state and local governments or supplants block grants with new categorical grants. A common criticism leveled against block grants is that they lack mechanisms to hold state and local administrators accountable for outcomes, a reproach the Obama administration has made about the Community Services Block Grant program.

The theory of social and economic organization.

The Importance Of Intergovernmental Relations

Further, the Sarkaria Commission though it recommended the setting up of the ISC under Article 263, reduced its importance by suggesting the continuation of the NDC as a separate body. For example, the Clean Air Act sets air quality regulations but instructs states to design implementation plans to achieve such standards.

United States. Advisory Commission on Intergovernmental Relations

However, some of the recommendations of this Commission relating to taxation and fiscal matters have resulted in constitutional amendments. In 2014, the federal government distributed 1,099 grants, 1,078 of which were categorical, while only 21 were block grants. The nature and scope of political science.

The mechanisms of intergovernmental relations cannot entirely be a matter of only formal constitutional provisions in any country. Public administration and public practice 10 th ed. Federal cash grants do come with strings attached; the national government has an interest in seeing that public monies are used for policy activities that advance national objectives.
