30 Fellowships for Women Leaders, Scholars, Scientists and Students

It awards up to 35 scholarships to excellent masters students from all countries. Selected candidates will train under the mentorship of program officials and scientists on focused research projects. Published by the Department of Library and Information Science, University of Kelaniya.

Tolu Asubiario

In addition to fieldwork, visits to libraries and invitations to practising librarians to give lectures have been regular features. Save Saved Opens in 4 months The New Zealand Harkness Fellowships were established in 2009 by the New Zealand Harkness Fellowships Trust Board to reinforce links between New Zealand and the US and to enable emerging leaders in the public sector to benefit from study and travel in the US.

Scholarships for Postgraduates: Awards, Eligibility, Key dates, Application

The potential for Māori students is primarily unseen, and for too many, untapped, waiting to be accessed.

30 Fellowships for Women Leaders, Scholars, Scientists and Students

The staff remain confidently forward-looking, deeply committed to the profession and to delivering quality courses, and are already planning for the next 50 years.

Prof. M.K. Weerasinghe

Housing and a stipend are provided. If the candidates wish to avail the benefits provided under these scholarships, they need to make sure that they fulfill the eligibility criteria of the scholarship which they are applying for.

Department of Library and Information Science

Steps are also being taken to award scholarships at the postgraduate level to eligible employees to pursue the on-line masters in Library and Information Science. When you click on the links below, on each of the scholarships, there is a link that will direct you where to get the application form.

Prof. M.K. Weerasinghe

Both courses are accredited by the Chartered Institute of Library and Information Professionals CILIP as a qualification for entry into the profession.
