IPM plans should be updated in response to monitoring results.

Pest Control: An Assessment of Present & Alternative Technologies, Vols. 1

Welcome to CAB Direct CAB Direct is the most thorough and extensive source of reference in the applied life sciences, incorporating the leading bibliographic databases CAB Abstracts and Global Health.

CAB Direct

Below is the uncorrected machine-read text of this chapter, intended to provide our own search engines and external engines with highly rich, chapter-representative searchable text of each book. The website focuses on providing vital information in the school setting to parents, school administrators, staff and pest management professionals. Control Pests Pest control is required if action thresholds are exceeded.

Introduction to Integrated Pest Management

Edges, leading corners and spine ends are all a little worn. Paperback, with slightly aged exterior showing superficial scores.

CAB Direct

Pages in main body are clean and sound; all text is clear.
