Goll uncovers ancient and nearly forgotten keys to deeper intimacy with Christ Jesus while revealing the ease of working with Christ instead of for Him. I highly recommend this for ANYONE who's looking to spend some time with Jesus.

In His Presence by E.W. Kenyon

As I look toward summer, I am realizing more and more that this summer will be unlike others because we are truly living in unprecedented times. It will remove the mist that has surrounded the prayer life, and lead us out of spiritual mysticism into the LIGHT OF LIFE! That was the first time I remember Ethan being soothed simply by my presence. And night will be no more.
