The Spectacled Avenger: Paul Fussell, Rhetorical World of Augustan

And I can have little quibble with adding Swift to the list, if for no other reason than the rage and moral indignation always shadowed forth in his satire. As a professor, he travelled widely with his family throughout Europe from the 1950s to '70s, taking Fulbright and sabbatical years in Germany, England and France. However, Fussell contends that all was not light and triumphalist optimism.

The Johnson Society of London

It was ranked number 75 in the 's Board's List of the 100 Best Nonfiction Books of the Twentieth Century. Leicester on Isobel Grundy ed. Nonetheless, despite my criticisms, the book is beautifully written and restores a much-deserved dignity to a group of writers, many of whom e.
