Kaunas has been recommended for the 2022 title in Lithuania and is pending the official nomination by the relevant Lithuanian authorities. It is a civil movement, convened in an act of opposition to the policy that does not appreciate the social and democratic functions of culture. All plastic cups were removed, and each employee was given an eco-friendly water bottle.

BBA Global Project and Change Management

This year, we asked 3,200 survey participants to reflect on their experiences in the context of the COVID-19 crisis. A multitude of NGOs engage in efforts in these areas, often with the support from the Ministry of Culture and National Heritage, which provides funding for cultural projects under the annually announced operational programmes.

Kaunas of 1919

A special focus was on Compendium, Cultural Policies and Trends in Europe — a compilation of data on the cultural policies of numerous countries commissioned by the European Council and put together by ERICarts. When assessing the winning ideas the Competition Committee looked specifically for innovative projects featuring the direct personal involvement using the competences, energy and teamwork skills of Deloitte employees. It represents the professional interest of Chartered Engineers on European level.
