Dragonsinger by Anne McCaffrey, Paperback

There's something so satisfying about Menolly, who went through hell in the first book, being treated like a princess, and shown around the Harper Hall. With things she could only dream were real but the whole plant would like to have.

This comes to pass when the eggs hatch.

The Harper Hall Trilogy

However, this lifeforms are affecting the Thread and he story rotates on the way the humans try to coexist with newly formed lifeforms designed to correlate well and assist the society. She's modest precisely because of that skill--she's so good, she can see all she has to learn, while a lesser musician, who couldn't see all Menolly can, would be more likely to accept his playing as pretty good. For young Menolly, her dreams of becoming a Harper have nothing to do with power, but rather her love of music.

Dragonsinger (Harper Hall, #2) by Anne McCaffrey

Because now, in a world already beset by Thread, another, more insidious danger looms: For the first time in living memory, dragons may be on the verge of fighting dragons.

Dragonsinger (Harper Hall, #2) by Anne McCaffrey

One thing that inspires me about Dragonsinger, though, is that it doesn't follow the contemporary form of having everything go wrong for the main character all the way through until the end. I've long wanted to find a coming-of-age fantasy work that empowered girls in a positive and wholesome fashion.

Harper Hall of Pern: Dragonsinger, Volume 2 (Series #2) (Hardcover)

I love the lyrics that start off each chapter.
