**Time's winged chariot drawing near.**

No sooner are we back home than the phone rings. She died, a year and a half later, on the summer solstice. Then I was comparing Homes with his model,.

**Poem of the week: To His Coy Mistress**

Fifty-some years of wishing I could dance or play a musical instrument or speak another language really well.

**Time's Winged Chariot**

Diesel smells hover as cars swish by night and day, day and night. VHL patients battle a series of tumors throughout their li fe. KONARK WHEEL The size and architecture of the 24 wheels are same but each one of them has been differently carved all over.

**Time's wingèd chariot**

And it still keeps passing.

**Time's winged chariot**

That's my car, right in front of our house. We always say she was my first child before my first child because it really feels that way. The Yorkshire poet is talking to his astute and desirable mistress, not, of course, to a political opponent, but, to some degree, he is drolling.

**Time's wingèd chariot**

The image of the ball is ambiguous: not only does it suggest the happy enclosed sphere of copulation, but a cannonball, embodying the ruthless determination to succeed. What could be so hard about Mud Season? It is a genetic form of cancer.

**To the cosmos shall mingle at last**

But some deadlines — the big ones — you have not a clue about. I remember I talked, that night, with a woman who raised sheep, a potter, a teacher, and a couple who replace automotive glass. The name Konark is said by some to derive from kona, corner, and arka, sun, and to refer to the images of the Sun God on the three sides of the structure; each in turn catches the rays of the sun when it rises, when it is overhead at noon, and when it sets KONARK WHEEL An art work may incorporate actual motion; that is, the artwork itself moves in some way.

### **Time's winged chariot**

I had exited out the side door to go to the garden, but I headed around to the front to come in, stripping off as I came. What seasonal changes that are, are very mild and subtle, compared to here.
