Outside and inside the home men were predominant, in spite of the fact that women were found serving as proprietors of taverns, shops, grocery stores, hardwares, and in the professions of teaching, nursing, and writing.

The Odessa File: People of Schuyler County

But this first, largest, and best-known of the utopian communities begun by Robert Owen on a 20,000-acre tract at Harmony, Indiana, was doomed to failure almost from the start. John also passed the rigorous try-outs to become a Chimesmaster, playing daily concerts on the chimes console in the McGraw Bell Tower for all to hear on the Cornell Campus.
