Russian Empire

The situation in Petrograd, far removed from the main food producing areas, was particularly grim .

Ukrainian Soviet Socialist Republic

This principle, conceived by Lenin, entails democratic and open discussion of policy issues within the party, followed by the requirement of total unity in upholding the agreed policies. The Constitution of the Russian Socialist Federal Soviet Republic stamps it as the most undemocratic and oligarchic of the great modern nations. Theoretically, this question has been decided, but we know from our own experience the difference between the theoretical decision of a question and the practical carrying out of the decision.

Communist Party of the Soviet Union

In 1924, Trotsky published his pamphlet , in which he stated that socialism in the Soviet Union would fail because of the backward state of economic development unless a world revolution began.
