## Sundarbans

They will best know the preferred format. .

### Sundarbans (Khulna City)

Sundarbans epitomize wilderness with its meandering rivers, springs, creeks and estuaries. These ecosystems contain large numbers of individual animals and large stocks of remarkable plants striking in appearance even though they comprise few species and few if any endemic species.

### Sundarban National Park Tourism (2021) Tiger Reserve, Wildlife Sanctuary

The forest is also named on the name of sundri tree.

## Sundarbans

Tourists taking our Sundarban Tour package will have an unique experience which will linger upon in their minds for ever. The Rocket was fun, nice old ship, meet charming locals on this trip, take the sleeper :- The Sunderbans trip would have been great had the boat not have the generator blasting ALL night , the boat was fine, food good, you are in a such nice quiet peaceful area but the generator is just too much, they could have turned it off. Unfortunately, I couldn't see so many animals because of the rainy season.

### Sundarbans (West Bengal)

The park was established as a national park on 4th May 1984 as earlier it was created as wildlife sanctuary in 1977, designated as the core area of Sunderbans Tiger Reserve. Private BoatsPrivately run boat rentals are also an option if you want to explore the river waters for only a day. Other endangered species in the Bioreserve are Batagur baska, King Crabs, Olive Ridley and Turtle.

### Sundarbans (Khulna City)

The land area, including exposed sandbars, occupies 414,259 ha 70% with water bodies covering 187,413 ha 30%. Safaris are available both

from Kolkata and Dhaka into the Sunderbans.

### **About Sunderbans**

Editors Caryl-Sue, National Geographic Society Julie Brown, National Geographic Society Expert Reviewer Dr.
