Even if YOU have an hour or less a day to devote to Arabic YOU can still learn a great deal in only a few months. For this reason, the earliest grammatical treatises on Arabic are often written by non-native speakers. Just follow my System And YOU Will Discover That Arabic is Easier than Spanish! I definitely would only get this book if you are serious about learning it, because otherwise you will be overwhelmed with information.

**Colloquial French, The Complete Course for Beginners by Valerie Demouy**

Colloquial Japanese only uses romanization, but it's a great start for the spoken language and the book is well made with good grammar and dialogues.

**Prof. Haytham Ibrahim**

An example of such a system is the Bahá'í orthography. Shop around, and try different tutors out if YOU can.
