The map is a piece of cartography recorded in 1832 and completed in 1855 by German explorer, Carl de Berghes.

Music 345: Race, Identity, and Representation in American Music

So much of our class is trying to define authentic music, understanding that we likely never can. The student draws and paints on large paper with a variety of brushes, crayons, pencils, and markers. As the demand rose from white settlers, pieces of that land were taken away until the enactment of the 1934 Indian Reorganization Act.

Repertoire Guides

With a brief glance at the repertoire of covers, this notion immediately becomes apparent.
