You have to keep the door closed between the entryway and the main room to keep the temperature reasonable, as the entry way is hot. It is used by 60 million visitors every month, and more than 20 million diners have placed a review grading restaurants from one to five. If you are a resident of another country or region, please select the appropriate version of Tripadvisor for your country or region in the drop-down menu.

Japan's Yanagiya

In spring come slightly bitter, foraged ferns and fresh-water trout. We stayed at room 1201, the biggest one on the floor with western and tatami beds.
