Cheltenham: Edward Elgar Pub; 2012. In: Meyer MK, Prügl E, editors.

## Globalization and Third World Women: Exploitation, Coping and Resistance: Lindio

Through 10 case studies by different authors, the book documents the gendered process of globalisation by placing the real lives of Third World women, in both the global North and South, at the forefront of this analysis on the negative effects of the process. Overall, this book is a useful source for students and scholars who are interested in migration and economic globalisation.
