Not only should STS welcome more journalists into its fold, through educational programming and increased dialogue, but STS academics must also participate in the journalistic process themselves, by using their STS perspectives to write provocative articles for the general newspaper reader. The Cubs then blew the lead and would lose Game 7 the next day. There is some evidence, however, that he had designed the Wheel five

or six years prior to the Exposition and it is possible that he chose a quiet moment after dinner to reveal these plans.
