Fundamentalist Mindset: Psychological Perspectives on Religion, Violence, and History

Any remaining flaws, they argued, occurred in the translation or transmission of texts. You still have an opportunity to repent and have eternal life.

Readings

Enjoy the Self-Fulfilling Prophecy University of Minnesota neuroscientist, who studies the fear system, believes that at its heart, the concept of doomsday evokes an innate and ancient bias in most mammals. Charles Hodge and Benjamin Warfield were leading voices in American biblical scholarship for much of the early to mid-19th century, especially regarding the way in which American Protestants read and understood the Bible.

Psychology Reveals the Comforts of the Apocalypse

The Authoritarian Personality, edited by T.

Fundamentalism and the Psychology of Violence

In their view it was little more than dry rationalism, bound by the naturalistic presuppositions of science more than the reality of the supernatural. Indeed, if anything, the inerrancy controversies put to rest any suggestion that fundamentalism was inherently anti-intellectual.

Apocalypse: On the Psychology of Fundamentalism in America : Strozier, Charles B.: public-docs.talentcoach.ir.au: Books

The source of this dilemma was dispensational premillennialism. The Lucifer Effect: Understanding How Good People Turn Evil New York: Random House, 2008. No educated person would give this serious consideration.

'End Times' Beliefs Are Extreme, and Extremely Influential

But for the fundamentalist, the neighbour is not like himself, for he defines himself over against his neighbour, and as radically unlike him. The rapture is going to be one of the most astonishing events to ever occur.

Readings

Helter Skelter: The True Story of the Manson Murders by Vincent Buglioso New York: Bantam Books, 1974. The Rapture is going to happen suddenly. Thus, in public rhetoric fundamentalist men denounced feminine vice, opposed woman suffrage, and refused to countenance access to any kind of leadership role.
