### Dockers' Strike

At Manchester, where juvenile strikers were very numerous, 'organisation was one of their strong points. Rather, she calls for an overthrow of the existing power structure by means of violent international revolution. Fighting soon spilled out into nearby streets, causing the police and troops to come under attack as workers pelted them with missiles from rooftops.

### The Dock Strike

Harry Burns remembers when he was a school boy, he was always singled out because his family was very poor.

### Battle of Cable Street: when the Irish helped beat back the fascists

We, the Union of the Stevedores of London, knowing the condition of the dock labourers, have determined to support their movement by every lawful means in our power.

### State of emergency proclaimed over dock strike

. Public support and effective leadership were at the heart of the strike's success.
