**public-docs.talentcoach.ir: Word from the Mother: Language and African Americans eBook: Smitherman, Geneva: Kindle Store**

The author draws generously upon the song lyrics of contemporary artists such as Kanye West and Mos Def, poetry, cartoons e. Smitherman offers a number of examples of such language use, although I found myself wishing there were more such examples. However, her analysis of the role AAL has played in American culture and language could certainly provide a useful case study for international scholars interested in a comparative look at linguistic diversity and its social and political repercussions.

**Word from the mother : language and African Americans (Book, 2006) [public-docs.talentcoach.ir]**

I am awed by its depth, comprehensiveness, and relevance. . Geneva Smitherman needs little introduction; she has produced seminal works on the history, development and structure of AAL African American Language.

**Word from the Mother: Language and African Americans by Geneva Smitherman**

Smitherman looks to the historical roots of hip hop in order to counter some of the attacks made about its hypersexualization, misogyny, and appropriation. While Smitherman does make the case for the increased globalization of Hip Hop as a musical genre, many of her own references are to television shows, cartoons and other popular culture that may not be widely known to international audiences. .

**Word from the Mother: Language and African Americans**

Enriched by her evocative and inimitable prose style, the study presents an overview of past debates on the speech of African Americans, as well as providing a vision for the future.

**public-docs.talentcoach.ir: Word from the Mother: Language and African Americans eBook: Smitherman, Geneva: Kindle Store**

Of course, Smitherman herself could well object to this characterization, given her stance that all language is political! Perhaps, then, this is the controversy with Paula Deen—someone with no social, cultural, or historical connections to AAL who has significant white privilege and capital—.

**Word from the mother : language and African Americans (Book, 2006) [public-docs.talentcoach.ir]**

This multi-language dictionary covers the eight major Turkic languages: Turkish, Azerbaijani, Turkmen, Uzbek, Uighur, Kazakh, Kirgiz, and Tatar. I am awed by its depth, comprehensiveness, and relevance.
