### Essay on Development Administration

The Government has made frantic efforts to bring down Inflation to single digit and keep up GDP to a reasonably high level. Conclusion: Most of the social problems still exists because people are ignorant of its consequences. The Remedial Measures: Mere talking about the problem is not going to do anything.

### Social Security Essay

The benchmarking cycle then repeats itself. There is no denying the fact that with the passage of time, inexactness of public administration is being gradually mitigated though complete exactness and objectivity of physical sciences is gradually on the wane.

### Five Key Figures in the History of Public Administration

One of the recent examples of this social issue is global warming which is instigated
