He published 1 article 11 pp. For that is my spirit of life. See DA, XXV 1964 , 1923-4A.

Full text of Blake; a critical

He feels the whole universe to be endowed with life and consciousness. It must seem difficult to find a plausible topic in Blake which has not previously been treated responsibly, and some of the recent theses seem to be stretching plausibility to cover a good deal of rather surprising matter. Both were opposed to a literal belief in an overseeing God in the heavens.

More modern productions are romantic, not because they are new, but because they are weak, morbid, and sickly; the antique is classic, not because it is old, but because it is strong, joyous, and healthy. Before the papal city of Avignon was annexed to France at the end of 1791, it was

indeed a hotbed of much religio-mystical and political experimentalism.

William Blake's illustrations for Dante's Divine Comedy: a study of the engravings, pencil sketches and watercolors

A public domain book is one that was never subject to copyright or whose legal copyright term has expired. This is no question of reconciling contraries.
