The Most Dangerous Animals Found In North Carolina

The 'terrifying' viewpoint of the shark takes on a dismal reality when the number of shark attacks is still somewhat low, but this does not mean that bites are not reported. The ground that we walk on is full of surprises, if you know where to look. North America was safe but far from finished.

Wildlife of North Carolina

About the Banner Mount Katahdin, Baxter State Park, the highest peak in Maine, by TJ aka Teej.

Making North America: Life

You find amazing things on beaches, and one thing, as a geologist, you learn, very quickly, is that every single pebble tells a story.

What Animals Live In North America?

Here comes an amazing flow.
