Talk to someone

Many of these services center around helping people stay in their homes and avoid having to go to live in an institution or perhaps move in with family. Traditional caregivers can't provide care because of full-time employment or parents live a long distance away. No guess work for her at all.

PASSPORT

You have time to fill and, for some, limited resources to spend on entertainment and luxuries during the long hours. If you don't have Medicare or Medicaid, you can pay for PACE privately.

Senior Citizens and Annuities

Advanced diabetes often affects eyesight, making the performance of daily tasks downright dangerous.

How to plan for rising health care costs

An otherwise perfectly healthy albeit somewhat unsturdy elder may suffer a serious injury that then presents new challenges in healing and continued care. It may pay for some or all of the long-term care needs of a person with.

Area Office on Aging

The investor purchases the individual's life insurance policy for less than value and then recoups the investment plus interest with the death payout when the insured dies. This helps us improve our social media outreach.

Important Documents Checklist for Seniors

Reverse Mortgages for Seniors A reverse mortgage is a special type of home loan that lets a homeowner convert part of the ownership value in his or her home into cash.

Program of All

Professional care given in assisted living facilities and continuing care retirement communities is almost always paid for out of pocket, though, in some states, Medicaid see below may pay some costs for people who meet financial and health requirements. Download individual senior emergency tracking kit components below... Important Contacts It's important that a family caregiver has easy access to the medical and business professionals that manage their senior's affairs in the event of an emergency.
