Dark satanic mills? : religion and irreligion in Birmingham and the Black Country

Religious camps were being built all over the country around the same time as World War II veterans started families and Christian churches flourished. This book sets out to answer these questions on the basis of an analysis of original sources, many of them unpublished, from the years leading up to the 1851 census.

Did evangelical conversion result from fear of hell? Birmingham and the Black Country provide evidence for both religion and irreligion, but was the better church attendance of the Black Country the result of panic reactions to cholera epidemics or intensive evangelism? George Cyril, Industrial development of Birmingham and the black country. Or were there some industrial areas where large numbers of them actually went to

church? How did ordinary people respond to the attempts of the churches to recruit them? Black writers like Toni Morrison, Langston Hughes, Richard Wright, Zora Neale Hurston, Alex Haley, Maya Angelou and James Baldwin created great literary works. This unique DVD delves into the history of the region we know today as the Black Country and explores the towns that are part of it.
