## Cincinnati Northern Railroad (1894

This was when the inn was called The Lebanon House, and during a time when it was an elegant, important hotel.

## Cincinnati, Lebanon & Northern Railway

IORY continues to operate freight on both these segments.

## Middletown and Cincinnati Railroad

She spent the week in a home near the school, where she had room and board, and then on Friday took the narrow gauge back to Whigville which had no high school of its own. { } With support from:

## Item Display

That building, the central brick structure of the inn, is celebrating its 200th birthday this year. Five trustees would ensure that the property was not sold without a majority of its owners consenting.
