## Deadly Justice (Ben Kencaid, #3) by William Bernhardt

That turns out to be and it is not long before Ben becomes the main suspect in the murder of Hamel Howard which appears to be a cover up and a frame up by Apollo Consortium. That is the point at which any jury would have to make a decision on whether force was excessive.

## Deadly Justice (DS Jack Mackinnon #4) by D.S. Butler

They are about a young lawyer named Ben Kincaid and his eccentric office staff and his ex-brother-in-law, who is a cop, and the many legal predicaments they get into. ## Deadly Justice (Ben Kencaid, #3) by William Bernhardt

For Dexter, the criminal justice system is not something he fully believes in. The story was so contrived as to be ridiculous.
