### Check what benefits to claim if you're sick or disabled

If the sickness or injury still persists after 240 days, the claim will be considered a disability claim. They include employees who are doctors, lawyers, or dentists, as well as most executive managers who are paid on a salary rather than an hourly basis, if they supervise two or more full-time employees. In addition, what about the self-employed? SICKNESS BENEFIT FACTS Eligibility Be an Insured Person, 14 years of age and not older than 65 years of age, in insurable employment, and medically certified as unable to work.

### What disability and sickness benefits can I claim?

Typically EI sickness benefits can only be paid for up to 15 weeks, but can vary depending on how long the individual is unable to work. What to do if the last day for filing of sickness notification or for filing for sickness benefit reimbursement falls on a Saturday, Sunday or holiday? The sickness notification should be submitted directly to SSS. Ilang days ba ang allowed sa employer na magpasa ng requirements sa ssspara mairemburse ung amount na inadvance nila akin? Member is employed — Home confinement period was from March 1 to March 31, 2014 31 days.

### Railroad Unemployment and Sickness Benefits

Medical reasons include illness, injury, quarantine or any medical condition that prevents you from working. To qualify for EI you must have a required amount of insurable employment hours, which are used to calculate your benefit period, these insurable employment hours must be accumulated throughout the qualifying period. How soon may I begin using sick leave? Failure to file the claim within the prescribed period will result to denial of the claim.
