## The elementary school counselor in the decade ahead (1972 edition)

Students in all grades are susceptible to abuse by others, and the counselor is often the first person to discover these deplorable acts and then report them to the proper authorities. Ensuring that there is open communication among all members of the community regarding all aspects and potential consequences of sexting is essential to combating the problem. And as First Lady, I share that conviction, which is why I want to talk with you about my new initiative that Shari mentioned; I launched it recently to help all of our children fulfill their boundless potential.

## Sexting: What K

On one side write challenges, and on the other side list strengths, resources and trusted advisers who help them with those challenges. The SameHere Schools Program allows your school or district to have an umbrella message about mental health and wellness that puts everyone in the community on the same page, using the same language and concepts. Prompts might include: What strengths did you use to overcome your challenge? The ongoing pandemic requires that school staff members adjust how learning occurs.
