Fushigi no Kuni no Shounen Arisu

I'd love to give this manga more time to hammer out the details, but I just don't feel that I can right now. .

Translations of Alice's Adventures in Wonderland

He is usually seen without the Gryphon unlike in the book. You can read this before or after you've read the manga, hopefully it'll help you make sense of this story.

Nippon Animation

Idea 2 More than one Arisu: Every time Arisu enters Wonderland or returns home, he never does, in fact he shifts to one that is almost, but not quite, the same as the last one he was in which was just vacated by another Arisu. Usually found in an area filled with mushrooms, the Caterpillar smokes from his hooka while listening to the different woes of the Wonderlanders. Jangan lupa membaca update manga lainnya ya.

Fushigi no kuni no Arisu, orijinaru (1989 edition)

And Arisu does, slowly but surely.

Fushigi no kuni no Arisu, orijinaru (1989 edition)

The newly rechristened Nippon Animation found success right away with and both of which began as Zuiyo Eizo productions , which became the first entry in the World Masterpiece Theater series to be produced under the Nippon Animation name. You may also want to decode individual chapters and for that you really need to put them into any of three categories: Reality, Lucid Dreams and Unconscious Dreams.

Fushigi no Kuni no Alice

These transitions between the two worlds are depicted as dream-like, and it usually takes Alice a moment to notice her surroundings have changed. They are rarely seen in the show.

Alice in Wonderland (1983)

Some translations, with the first date of publishing and of reprints or re-editions by other publishers, are: Language, dialect, script etc.
