

Applications of digital image processing XVII - 26-29 July 1994, San Diego, California

SPIE - OSA

Description: -

-
Image processing -- Digital techniques -- Congresses
Applications of digital image processing XVII - 26-29 July 1994, San Diego, California

-
Proceedings of SPIE--the International Society for Optical Engineering -- v. 2298.

Proceedings / SPIE--the International Society for Optical Engineering -- v. 2298.
Applications of digital image processing XVII - 26-29 July 1994, San Diego, California

Notes: Includes bibliographical references and author index.
This edition was published in 1994

Vice President

Parker, Proceedings of the 5th Heterogeneous Computing Workshop, April 1996, also available as Tech.

Alice C. Parker

Test results of the algorithm are shown with the actual interferometric SEASAT synthetic aperture radar images over large-relief terrain near Yellowstone National Park with a short baseline, and results are shown over relatively flat terrain in Death Valley of California with a long baseline.

Applications of Digital Image Processing

He was with Motorola Labs, Saclay, France, from 1999 to 2002, and also with the Vienna Research Center for Telecommunications, Vienna, Austria, until 2003.

Training & Education

IEEE Signal Processing Magazine 2. He is an internationally recognized leader in the research and development of next generation sensor and cognitive systems. Workshop on Document Analysis Systems, Nara Japan, IEEE Computer Society Press, 2008, pp.

Applications of digital image processing : August 25

Berkowitz, John Salasin, and David L.
