Winning candidates are said to have coattails when they drag candidates for lower office along with them to victory. Biden, who was at the Camp David presidential retreat when the decision came down, pointed to Senate Minority Leader Mitch McConnell R-Ky.

## Ugwuanyi, political ecumenism and the substance of politics

The president and the White House have done their best to ignore the impeachment trial and avoid weighing in on the merits of the case against Mr. Former President Donald Trump celebrated his second impeachment acquittal after his Senate trial concluded on Saturday. Such inquiries are likened to fishing because they pull up whatever they happen to catch.

## Talking Politics: The Substance of Style from Abe to

If only we had all seen COVID coming, we might just have opted for the Labour Party manifesto presented by Jeremy Corbyn, which promised just about everything, including free broadband. Shortly after the Senate vote, the White House formally announced a handful of nominations for the chamber to consider. He is certainly a man of peace who has refused to be overtaken by the violence of politics.

## The Substance Of Politics by Arjun Appadurai

Incumbent: A current officeholder Inside the Beltway: The area inside the Capital Beltway, a highway that encircles Washington, D. When governments in the Western world, such as Britain, talk about infrastructure projects they usually talk long term. The corruption starts at conception and continues through gestation.

## **Biden responds to Trump's acquittal, says the 'substance of the charge is not in dispute' and we must 'end this uncivil war'**

Adorno correctly declares that the spectre of communism is more easily attacked, the more abstract and empty it becomes, without explicitly drawing the countervailing conclusion that with fascism, precisely the opposite obtains. Moreover, political nicknames hint at the overlap between politics and performance.

## **Ugwuanyi, political ecumenism and the substance of politics**

As representatives of the people, they have a moral duty to uphold decency and civility in the public rather than letting it degenerate into a free for all in the name of scoring personal political gains. The defeat of Mussolini's forces destroyed — for the time being, history's footnoting service cannot help pointing out — people's faith in the system that had sustained it since the early 1920s, but this was far from the case in the Third Reich, where a significant sector of popular opinion stubbornly refused to believe that defeat had been necessary, or that the Nazi state had anything very much to atone.

## **Biden responds to Trump's acquittal, says the 'substance of the charge is not in dispute' and we must 'end this uncivil war'**

When politicians traveled by train, small towns were called whistle-stops. So too, of course, does radical leftism, for all that much of the latter's energy is devoted to heading off the worst aspects of these critical phases. It was a roll call of who is worth the regards, so to speak.
