Each utensil — including the tea bowl, whisk, and tea scoop — is then ritually cleaned in the presence of the guests in a precise order and using prescribed motions.

Japanese tea ceremony

Because cha-kaiseki generally follows traditional eating habits in Japan, meat dishes are rare. While in earlier portions of the gathering conversation is limited to a few formal comments exchanged between the first guest and the host, in the usucha portion, after a similar ritual exchange, the guests may engage in casual conversation. The Japanese ceremony is defined by its principles and precise rules around the way the water is boiled, the way the tea is poured and the interaction between the host and guests.
