NAKED TO MINE ENEMIES The Life of Cardinal Wolsey by Charles Ferguson

So farewell to the little good you bear me. The next is, that Sir Thomas More is chosen Lord chancellor in your place.

NAKED TO MINE ENEMIES The Life of Cardinal Wolsey by Charles Ferguson

First ye shall understand, that he had in his hall, daily, three especial tables furnished with three principal officers; that is to say, a Steward, which was always a dean or a priest; a Treasurer, a knight; and a Comptroller, an esquire; which bare always within his house their white staves.

The Project Gutenberg eBook of The Life of Cardinal Wolsey, by George Cavendish and S.W. Singer.

Will dated 13th April, 1523. WOLSEY 485 There was the weight that pulled me down. Wolsey's legal reforms were popular, and overflow courts were required to attend to all the cases.

Thomas Wolsey, Builder of Hampton Court Palace

We find also what we have the Married before 1526. O Cromwell, Cromwell, 535 Had I but served my God with half the zeal I served my king, He would not in mine age Have left me naked to mine enemies. At which house King Louis married my Lady Mary, King Henry the VIIIth sister; which was after married to the Duke of Suffolk, Charles Brandon.

Henry VIII, Act 3, scene 2

The love between the king and this gorgeous lady grew to such a perfection, that divers imaginations were imagined, whereof I leave to speak until I come to the place where I may have more occasion.

Cardinal Wolsey: O, Cromwell, Cromwell! Had I but served my God with half the zeal I served my King, he would not have in my age Have left me naked to mine enemies Farewell, the hope of Court! My hopes in Heaven to dwell!

The writer will not however affect to insinuate that he considers it as of no consequence. The same to the same.

The Death of Cardinal Wolsey

O Cromwell, The king has gone beyond me: all my glories In that one woman I have lost for ever: No sun shall ever usher forth mine honours, Or gild again the noble troops that waited Upon my smiles. Origin of the mistaken appropriation of this work.

Naked Mine Enemies

Such a one, they all confess, There is indeed; which they would have your grace Find out, and he will take it.
