### Digital Archives of the Earlham Public Library ::

Some authors proposed that Matthew's original text had one Joseph as the father of Mary, who then married another man of the same name. Another thing to remember is that many married women legally change their middle name to their maiden name once they are married, meaning that an additional search including a maiden name and married name may be necessary. Rose window in , France, depicting the ancestors of Jesus from Jesse onwards The provides two accounts of the genealogy of Jesus, one in the and another in the.

### Echo National Archives

The United States Government has a portion of their website dedicated entirely to genealogy tools and archives, which can be found.
