Frankenstein, by Mary Wollstonecraft Shelley; Chapter 2 Page 3

His tale is connected and told with an appearance of the simplest truth, yet I own to you that the letters of Felix and Safie, which he showed me, and the apparition of the monster seen from our ship, brought to me a greater conviction of the truth of his narrative than his asseverations, however earnest and connected. And is he, who has administered an exhilarating draught to my mind, in less pleasing associations there, than he who has administered a febrifuge to the body? What miraculous record does more? No minor part is sacrificed to give effect to the whole; no peculiar light cast on the picture: you only see through a wonderfully far-seeing and accurately observing pair of eyes, and all this when he has so decided a taste for the picturesque.
