legislation emerging in countries such as France, which builds on the recommendations of the UN Guiding Principles on Business and Human Rights. But most of all, you will be building the successful business I know you dream of creating. We also represent forward-looking companies and their achievements to government, to help shape the policy enabling environment.

WE MEAN BUSINESS

In a typical episode, Bill visits the business to see how it operates and meet with the owner, then brings in Katie and Peter. . With a social media reach of over 100k followers, Micaela Brown has created a national event marketing voice with an audience interested in event marketing, marketing, branding, and entrepreneurship.

Our Partners

This paper explains why such an approach is needed, and how states and companies can integrate gender- responsive human rights due diligence into existing and emerging efforts in the area of business and human rights. Aurora dispels any Myths that a custom business application has to be expensive.

WE MEAN BUSINESS

Neil McArthur, CEO Arcadis Now businesses are enabled to work together with governments and communities to shape the policies and take the actions necessary to transition to a low carbon future.

What We Do

This is where the magic happens.
