Migration data in Europe

Children born to foreign citizens are foreigners themselves in some countries, such as in Sweden and Finland, but can automatically become citizens of their country of birth in others, such as in the United Kingdom and Ireland. State of the Art Report.

What Borders Mean to Europe

The same report said that number of racist acts reported to the police decreased by 4 percent. The European Commission works together with Member States and stakeholders to promote the role of sport and to find solutions to problems facing European sport.

European Union

Sport and exercise are an integral part of life for millions of Europeans.

Brexit effect? Europe's populists back away from calls to leave the union

Southeast Europe Several definitions of Eastern Europe exist today but they often lack precision, are too general, or are outdated.

Free Movement in Europe: Past and Present

Migration and Asylum The EU as a whole failed to show leadership and solidarity in the face of the largest global displacement crisis since World War II. The Hub aims to support policy makers and communicate knowledge on migration to the general public.
