## **Making Partner: A Mentor's Guide to the Psychological Journey**

In other words, professional service firms need to think creatively about whom professionals should learn from and not just what they should learn.

### **The Worst Law Firms**

A potentially more attractive option is leaving private practice and becoming an in-house lawyer.

## **Making Partner: A Mentor's Guide to the Psychological Journey**

The pre-established criteria for remuneration also arguably ensures greater transparency and emphasises the sense of sharing and support between partners — and the gains and benefits from diversifying opportunities and spreading risk. Business development hours are not honored as billable hours and thus must be additional time put in. If you do this, however, you are showing the firm how dedicated you are and how much the work means to you and how much the job means to you.

### **A Guide to Law Firm Of**

Traditionally, law firms have been run by partnerships — a group of senior lawyers who put their own money into to the firm in return for a share of the profits. Unable to find someone to emulate, Brenner decided to work with what she had.

## **Revealed: How long does it take to make partner in India's top law firms?**

The type of skills and expertise you have could be as varied as the practice of law.

### **4 Modern Law Firm Compensation Models**

. Bill no fewer than 2,000 hours a year, produce well-written, accurately researched work and hone your instincts in your niche practice area, says

Andrew Jewel, vice president of national operations for Hudson Legal. Consider the case of a professional in my study who was known in his consulting firm as an excellent analyst.

### **Advantages and disadvantages of being a law firm partner**

Good comments - agree with most of it.

### **Law Firm Associate and Non**

If you're at CB, I'm guessing you're there for the love of law coz neither the promotion nor a fat pay packet is coming your way; so why bother about CB promotion news! Attorneys are struggling with increasing rates of depression, , substance abuse and more. She is especially passionate about reading and writing, although her other interests include medicine, art, film, history, politics, ethics, and religion.
