9780425179161

It is designed to provide a convenient user-friendly general reference work, utilizing the benefits of the Adobe Acrobat format to uniformly present thousands of pages that can be rapidly reviewed or printed without untold hours of tedious searching and downloading.

This is No Drill: Living Memories of the Attack on Pearl Harbor by Henry Berry

The Japanese attack caught the United States by surprise when 350 aircraft from the Imperial Japanese Navy bombed, torpedoed and strafed the ships and planes at Pearl Harbor. Here, in their own words, survivors of the attack--from all branches of the service--recall what it was like to witness this momentous event as it happened. .

9780425179161

Dramatic and compelling, these living memories offer a rare look inside the hearts and minds of American heroes—and an invaluable record of American history. .

Asbury Park Press

This is No Drill lends itself easily to being read a bit at a time because of the many short chapters consisting of stories from the survivors.

Historian reflects on anniversary of Pearl Harbor attack

His students were often startled to learn where he had been on the first day of the war. There are also photos of the Curtiss and artists' renderings of the attack. A lazy Sunday morning Van Hauser was about to go on duty the next day, Dec.
