Increase our faith, beloved Lord.

Isaac Watts

Annotations Upon Popular Hymns, by C. He edited a collection of hymns that bears his name, but wrote chiefly for religious magazines. In 1861 Lyne replaced A.

Isaac Watts

He tried to turn the conversation, but she was persistent for an answer. All of the Byzantine Rite churches, and their Eastern Orthodox counterparts, use essentially the same lyrics in their hymns; the primary difference between different Byzantine Rite Catholic churches, such as between and the of Antioch, is in the form of the music used.
