I feel ignited about how elegant my website looks to the outside world. However, love is much stronger than war, and thanks to the modern forms of communication and exchange of information, more people are united for peace and do not support or participate in colonization or human genocide. My sons are my strength.

King Arthur and the Heroic Pattern

So I think you can definitely change from evil to good. Secrecy is the most important rule of the ninja, and you have broken it! How did they deal with it? The heroic couplet is also usually closed, meaning that both lines are end-stopped by some type of punctuation, and the lines are a self-contained grammatical unit.
