Federal :: United States

However, in addition to requiring the use of U. Information on tariff rates for specific products and import statistical data for recent years had been provided to the Working Party. He committed to revising China's current regulations and procedures prior to its accession in order to fully implement China's obligations under the Anti-Dumping and SCM Agreements.

Relating to the reinstatement of the general preferential tariff on imports of rubber footwear (Reference) (1988 edition)

The representative of China further confirmed that statistics on trade between China's special economic areas and the other parts of its customs territory would be maintained and improved, and would be notified to the WTO on a regular basis. Comment: One commenter complained that the Certificate of Origin is unnecessarily complicated and thus presents an obstacle to achieving the goals of the AGOA.

Federal :: United States

The general authority citation for part 10 continues to read, and the specific authority for new subpart T is added, to read as follows: Authority: , 1202 General Note 3 i , Harmonized Tariff Schedule of the United States , 1321, 1481, 1484, 1498, 1508, 1623, 1624, 3314.

With the development of China's economic reform and opening up, China would implement its tariff policy uniformly throughout its customs territory.

Federal :: African Growth and Opportunity Act (AGOA) and Generalized System of Preferences and Trade Benefits Under AGOA

China would not apply SPS measures in a manner which would act as a disguised restriction on trade. As stated earlier, because these changes to the interim regulatory texts, as described below, are not interpretative in nature but closely reflect the language of the statute, they are included in this final rule without need for comment. A Certificate of Origin must be employed to certify that a textile or apparel article being exported from a beneficiary country to the United States qualifies for the preferential treatment referred to in § 10.

Federal :: United States

Both commenters therefore requested elimination of the reference to supporting records. Penalties and fines - The Dutch customs authorities will take on a flexible approach in dealing with companies who are not able to comply with customs obligations in time if this is caused by the Corona crisis. Goods consigned from Exporter's business name, address, country Reference No.
