Thames Valley Inward Investment Portal

This indicates that falling earnings on UK FDI overseas has been a factor in the widening of the current account deficit. The value of UK assets grew by 11. Overview FDI statistics provide information about the value of foreign investment into and out of the UK, along with the earnings and flows of those investments Foreign direct investment FDI refers to cross-border investments made by residents and businesses from one country into another, with the aim of establishing a lasting interest in the country receiving investment 1.

Does a rise in inward investment tell the whole story?

The digital tech sector has accounted for the largest number of projects in the UK in every year since 2013. The value of debits was £1. The firm is based in Stratford-Upon-Avon and invests exclusively in EIS and SEIS-qualifying companies.

Power up: UK Inward Investment

The Hub, funded through the UK Research and. From our booming tech industry to our world-leading financial services sector, investors from all over the world see Britain as their destination of choice for relocation.

Investing in the robust UK property market

Combined with Content Marketing programmes, working with Clarity has enabled market differentiation and opened up client engagement that would not otherwise have occurred. With Brexit we estimate a significant and substantial decrease in FDI. The North Americas are the second-largest contributor to the overall rate of return and also made the second-largest negative contribution to the overall decline, a negative 1.

Inward Investment Marketing Strategy

The report indicates that investor intentions towards the UK, compared to other FDI destinations in Europe, remain relatively positive when they look beyond the immediate impact of COVID-19. The rate of return on liabilities did fall outside this range in 2016, at 3. The impact of Covid-19 therefore will be an acceleration of the agile working agenda, bringing with it an emphasis on task driven collaboration, rather than a presenteeism culture.
