## First North American NGO Symposium on the Question of Palestine (New York, 25

In March and April 2003, Toronto was the site of the largest outbreak of the deadly severe acute respiratory syndrome SARS virus outside Asia. This may seem to be an exorbitant duration and even some doubts may arise with regard to the effectiveness of the United Nations. Despite what Lenin may have believed, freedom is not and never has been a bourgeois or middle class virtue, but is the defining and enabling means and end of an authentic revolutionary practice.

One major cause of this gap is that Canada does not recognize many credentials obtained abroad. Class consciousness appears as a universal attribute of the party or the state; it is not the working class in struggle that forms the content of experience but the party as organisation or the

workers state as the collective consciousness of the working class.

### **A Circulating Dogma Pissed on my Karma [THE TIME TUNNEL]**

The OBU, despite its swift collapse, left behind a significant regional legacy: thereafter, the western provinces would persistently be the site of a more progressive, politically active brand of Canadian trade unionism. It was well for these heroic women that, amid all the hard struggles and endless disappointments of the years that followed, the best and noblest men in the land were on their side.

### **The Canadian Labour Movement: A Short History**

It is impossible not to contrast this experience with the sweeping advance and constructive triumphs of socialism in the countries led by Communist parties during this period.

### **The CNT in the Spanish Revolution, Volume 1**

Gold output in 2003 was 140,559 kg, down from 151,904 kg in 2002.
