On India's involvement with Afghanistan: India has provided logistical support for the elections.

Buzkaishi: Game and Power in Afghanistan

When attending an official game did you wonder who sits where and why when the game of Buzkaishi is played in a stadium. Whitney Azoy is introducing the Buzkaishi game in Afghanistan in details, but in the third chapter of this book which is about the the Buzkaishi Tooi, he describes that how this game is held in the local places. Also the semiotics of respect are enormously subtle and complex, and outsiders simply never get it--nor do most Americans have patience for the details.

Books on Afghanistan History and Culture

Overall I expect a mixed result.

It has also reached as far west as Turkey and as far east as China, where horseback buzkaishi is played, as well as riding yaks.

Books on Afghanistan History and Culture

In certain cases, the line between established facts and the authors' conjecture is very fuzzy.
