Skateboarding

PMT is more than just another skateboard company. All of these apps are compatible with the iPhone, and some are also compatible with the Android. If you do not have a flexible tape measure, try marking a string and measuring it against a ruler.

Chicago's number 1 guide for travel and exploration

Pardon or dust as we are still building this site.

Braille Skateboarding

Jason introduced things step by step and was very patient and understanding. Ineffective on slick and rough surfaces.

Heroin Skateboards

For additional info visit our Note: Each brands skateboard helmet size will vary; therefore, it is best to measure your head and refer to the sizing chart specific to each brand of helmet.

Design a Custom Skateboard or Custom Longboard

Can't grip your skateboards yet? As I walked through the kitchen I noticed all of the furniture was gone. It makes direct contact with rails and curbs. No internet back then to learn from either! Cruisers, Old School, Freestyle, Longboard and Downhill all refer to a skateboarding style and the corresponding shape.

Chicago's number 1 guide for travel and exploration

With this builder, you have millions of setups you can play with.
