The for the City, namely the , is unique in the UK and has some unusual responsibilities for a local council, such as being the police authority. This report is the outcome of several activities of the year-long study The Education of Students with Disabilities: Where Do We Stand? My agreement with the Court that a presumption of invalidity is not warranted for economic development takings in general, or for the particular takings at issue in this case, does not foreclose the possibility that a more stringent standard of review than that announced in Berman and Midkiff might be appropriate for a more narrowly drawn category of takings. The Right Tree in the Right Place.
