## Takahashi Korekiyo

He credits his unmet expectations from seeing in his childhood as an inspiration for the film. We eagerly hope that the government makes every possible effort to contain the inflation within a certain appropriate limit and to prevent various harms that would be generated by inflation. Thus, Takahashi is the intellectual father of the fiscal and monetary policy of Shinzo Abe, the so called Abenomics.

## Korekiyo Takahashi

The Showa Depression of 1929-1932 wreaked havoc on the Japanese economy and society. He also joked that the design of was due to his grogginess at the time.

## Keisuke Takahashi

Soo Cha The third and final non- Takahashi positive shock concerns the Japanese labor market.

## Keisuke Takahashi

Takahashi didn't find success until 1996 when he created Yu-Gi-Oh!.

## Takahashi Seiichirō korekushon ukiyoe = The Takahashi Seichiro collection of ukiyo

However, he never intended to focus his manga on the card game he created. Bernanke, Member, Board of Governors of the Federal Reserve System, before the 60th Anniversary Meeting, Japan Society of Monetary Economics, Tokyo, Japan, May 31; 2003. Furthermore, downward wage shocks were significantly contributing to the rebound in the early 1930s.

**Kazuki Takahashi**

The depreciation of the yen took place in a very brief moment of time, from December 1931 to November 1932. He considers that to be his debut, but for the next ten years he went through several publishers and had a lot of rejected stories.
