Italy, a Nation Divided, 1943

The rivers were subject to sudden and unexpected flooding, which had the potential to thwart the Allied commanders' plans. The warplanes on both sides were comparable. The Allies' focus then turned to the western front, where an attack through the valley was considered to have the best chance of a breakthrough towards the Italian capital.

Regia Aeronautica

More than 41,000 were captured, half of the 5,400 held by the Japanese died in captivity, compared with one-tenth in German hands.

Regia Aeronautica

During combat with Allied forces, the RSI showed mixed results. By 25 April, the Italian Partisans' Committee of Liberation declared a general uprising, and on the same day, having crossed the Po on the right flank, forces of the Eighth Army advanced north-northeast towards Venice and.
