Did you know these 23 celebrities lived in the Jupiter area?

The term Pauli truss is not interchangeable with the term lenticular truss and, according to Thomas Boothby, the casual use of the term has clouded the literature. In 1949, The Kaw Valley Drainage District installed screw lift-gates at each end of the trusses to lift the entire bridge during a flood.

Help: Trusses not straight

We were elected partly on the promise of fixing the scourge of geographic inequality ... and ensuring equal opportunity for all. We will use evidence to inform policy and drive change.

Truss's Island

CanWel operates: multiple treating plant and planing facilities in Canada and the United States; distribution centres coast-to-coast in all major cities and strategic locations across Canada; in the United States near Portland, Oregon San Francisco and Los Angeles, California and in 14 locations in the State of Hawaii through its wholly owned Honsador Building Products Group.
